# About

The OpenAI Cookbook contains open-source examples and guides for building with the OpenAI API.

To run these examples, you'll need an OpenAI account and API key. You can create a free account here.

Contributing

This website is automatically generated from our GitHub repository. If there are examples or guides you'd like to see, feel free to suggest them on the issues page. We are also happy to accept high quality pull requests, as long as they're in scope.

Refer to our guide on what makes documentation good.

Other resources

Beyond the examples and guides here, you can learn more about OpenAI from the following resources:

- Experiment with ChatGPT

- Stay updated with the OpenAI Blog

- Try the API in the OpenAI Playground

- Read about the API in the OpenAI Documentation

- Get help in the OpenAI Help Center

- Discuss the API in the OpenAI Community Forum or OpenAI Discord channel
